SYMBOLS OF THE SERPENT

To commune with the
Serpent one must be in
possession of the
Earrings of the Serpent.
Only via these can the
Great Serpent channel his
words to thee. To be at
one with Balance one
must have the blackrock
Serpents of Order, Chaos,
and of Balance. To enter
into the Grand Shrine of
Balance one must wear
the Armour of the
Serpent, carry the great
Staff of the Serpent,
and wear the Crown of
the Serpent upon one's
head. Only after these
are obtained may one
enter the most sacred of
sanctums of the people
of the Ophidian order.
